The Drummer's Perfect Partner

"Shows about to start.

Big night tonight... everyone is on edge.

Nailed it in the rehearsal.

These Tour Custom drums are just perfect.

Bright maple tone plays so sweet and the rounder bearing edge delivers the power and depth I need.

Response is right on, every nuance, twist, and turn... it's all there.

I have complete confidence behind these drums...

I feel perfection is possible."

“The band was really on tonight.
The telepathy has never been so high.
Even the audience was hip to what was going on...
Everyone totally electrified.
The grooves were wide and deep, and just went on song after song.
And these Tour Customs played perfect... like magic... music magic.”
